

Torch & Mascot Design

REDBOURN
CELEBRATES
2012

This summer Redbourn will be celebrating the **Olympic and Paralympic Games** with a range of events and activities in the village.

The first major event will be our very own torch relay through the village streets culminating on the common.

We are looking for a young person to design the torch that we will then manufacture and use for this special event on Saturday 16th June 2012.

We are also looking for a young person to design Redbourn's version of a 2012 mascot

In order to achieve the above we are running two competitions :

Torch design competition or Mascot design competition

Closing date for both competitions is 3pm on 16 March 2012

Eligibility to take part:

Those wishing to enter the torch design competition must be between the age of 8 and 18 on the 31st August 2012. Those wishing to enter the mascot design competition must be 7 years of age or under on 31st August 2012.

Submissions for the torch or the mascot design should be produced on A4 or A3 paper and submitted to one of the following points in the village by 3pm on 16th March: Redbourn Recreation Centre, Redbourn Junior School or Redbourn House Nursery.

Competition entries can be computer designed or hand drawn.

Entries for either the torch or the mascot should include a brief summary on the reverse or attached stating how the design celebrates two or more of the following:

- Olympic and Paralympic Sport
- Sporting and cultural life in Redbourn
- The Olympic values – Respect, Friendship, Excellence

All submissions should have the name, address, age, email/phone contact number of the person submitting the form on the reverse of the design and be clearly marked Redbourn 2012 Torch or Mascot competition.

Awards will be made for the winning designs and 2nd/3rd places in four age ranges (3-7, 8-11, 12-15 & 16-18) with a formal announcement made on the 16th June on the Common between 12:30pm and 1pm.

The competitions are free to enter and will be judged by a panel made up from the Redbourn Celebrates 2012 working party.

Further information on the above and other 2012 events taking place in the village can be found at www.redbournrecreation.co.uk or by contacting Paul Sands at Redbourn Recreation Centre on 01582 626202
